

# 11<sup>th</sup> International Conference of the French Association of Experimental Economics Dijon, September 2-3, 2021

## Call for Papers

The 11th International Conference of the French Association of Experimental Economics (ASFEE) will be held in Dijon on September 2-3, 2021. It is organized by the Laboratory for Experimentation in Social Sciences and Behavioral Analysis (LESSAC) at the Burgundy School of Business. For now, we plan to have an in-person event, conditional on the evolution of the current pandemic.

The conference will provide an opportunity for researchers to present results of laboratory and field experiments. It will cover all topics in behavioral and experimental economics, such as decision theory, game theory, institutions and markets, neuroeconomics, economic psychology and others. Methodological and theoretical papers dealing with experimental and behavioral issues are also welcome. The organizers welcome preliminary work concerning proposals for experimental designs - in particular, pre-registered reports - that can be submitted for a poster session or an oral presentation.

We plan to host a special event dedicated to experimental approaches to COVID-19 during or prior to the main conference. Papers related to this topic will be automatically considered for the COVID-19 event.

### Location

The conference will take place at the Burgundy School of Business, 29 rue Sambin, 21000 Dijon. The campus is located in the city center of the historical city of Dijon, one of France's gastronomy and wine capitals, located 1.5 hours from Paris by high-speed train.

Further information regarding the conference dinner and lodging options will be posted on the conference's website: <https://asfee2021.sciencesconf.org/>

### Important Dates

Online submissions open on **April 19**, 2021 and close on **May 31**, 2021.

Decisions on acceptance: June 18, 2021.

Registration from June 25, 2021 to July 16, 2021.

### Submissions

You are invited to submit an extended abstract for "oral" or "poster" presentations no later than **May 31, 2021** on the conference website.

### Keynote Speakers

Ayelet Gneezy (UC San Diego)

Stefano Fiorin (Bocconi University)

### ASFEE Prize for the Best Poster

There will be three **Young Researcher Prizes** for the best experimental project poster by a PhD student. Each prize will consist in a financial contribution of 1,500€, as well as technical support to help the young researcher to run his/her experiment.

### Contact

The local organization committee is headed by Xavier Gassmann, Antoine Malézieux, and Eli Spiegelman. For any question please contact the organization committee at:
